Re: CFUW Family Concert

Dear Ms. Frederick and Members of CFUW:

I am writing to thank you and the Canadian Federation of University Women Belleville & District for the ongoing support you have shown Belleville Public Library and John M. Parrott Art Gallery. We really appreciate the family concerts you have brought to our Library for the past several years. These performances have been of an extremely high quality, with both education and entertainment, and the Library is very fortunate to be benefitting from your generosity in this way.

Funding for the arts often suffers during difficult economic times but it is more important than ever for community organizations like ours to work together to promote arts and culture. Having these performances in the Library for people of all ages to enjoy is absolutely wonderful. I'm sure many families who have not visited the Library for a while were brought in by the shows you have produced for us. We really appreciate that you have decided to donate your time and funding in this way.

Thank you again for your support, and for the support of your sponsors. We look forward to continuing to work with you in the future.

Sincerely,

Trevor Pross MLIS

It's a wrap!

The third annual Belleville Downtown DocFest has concluded and it was the best yet...an overall attendance of more than 3300 people spread over the 52 films we screened and the Opening Gala a sell-out. Thank you for contributing to the overall success of the festival. We couldn't have done it without your support!
