

CFUW 2016 - 2017 Resolutions Package

February 15, 2017

Over the last several months, CFUW clubs have had the opportunity to propose resolutions on important national issues. These resolutions will be voted on at the 2017 AGM in Richmond, B.C., and if they are accepted they will become official CFUW policy and part of our national advocacy. The Resolutions Committee has been working closely with clubs to fine-tune the proposed resolutions, and now every CFUW club has the opportunity to review them and suggest changes.

The deadline to receive amendments to the proposed resolutions is **April 15th, 2017**. Please carefully read all the documents below for instructions on making your amendments.

You can contact Teresa Habs, Chair of the Resolutions Committee, at resolutions@fcfdu.org if you have any questions.
